1. Introduction

This is the Handed By cookie statement. Here you will find information related to the cookies that Handed By (possibly) places on your devices. These can be devices such as computers, smartphones, tablets and laptops.

Handed By uses cookies to offer you as a visitor an optimal service and user experience. Handed By will request permission for the use of certain cookies with the cookie banner.

What are cookies?
Cookies are small text files that are placed on a PC, mobile phone or tablet by an internet page. These text files collect certain information. What data a cookie collects differs per type of cookie. This can be data related to the operation of the website, or data that can form a "profile" of visitors for analysis purposes.

There are three different types of cookies, each of which has its own function. This concerns analytical cookies, necessary/functional cookies and marketing cookies.

Below we offer you an overview of the cookies that are (possibly) placed by Handed by. All cookies are categorized based on their functions. These cookies are displayed with the terms used by the cookies themselves.

1.1 Necessary/functional

Necessary and functional cookies are used to make certain functions of the website work properly. Consider, for example, the pop-up for the cookie banner.
